

NOTES/QUESTIONS:

* **Introduction/History:**

* **Myth 1: Children cannot learn if they are not in school**

* **Myth 2: Children will not know how to socialize**

* **Myth 3: Children will "fall behind" and not have as many opportunities as their "schooled" peers.**

*** Myth 4: I will go crazy if I have to stay at home with my children**

*** Myth 5: I cannot afford to home educate my children.**

*** Conclusion/Next Steps**

*** Challenge: What are some steps that you feel like you need to take (big or small) that will lead your child into a deeper love of learning, a deeper sense of purpose, and/or an improvement in his well-being (physically, mentally, emotionally, socially, spiritually)?**

If you have any questions, or would like to schedule an appt. with Brittany to develop a personalized learning path for your child, please email: ourthrivinghive@gmail.com
